DOUGLAS WILL CELEBRATE ON JULY FOURTH

There will be a glorious celebration of the Fourth of July in Douglas this year, it was decided at the public meeting called by Mayor J. O. Kirkham which was held in the City Hall last evening.

An organization to finance and handle the celebration known as the Fourth of July Association was formed, with F. A. J. Gallwas chairman and Guy Smith secretary.

A finance committee was appointed as follows: Nels Anderson, W. F. Cahill, O. A. Stillman, Mike Pusich, Arne Shudshift, J. R. Guerin and Tom Popovich.

General plans of the celebration were discussed and a baseball game, plenty of children's sports and as many additional features as can be arranged for, were agreed upon.

The meeting was adjourned until next Thursday evening, June 18th, when the finance committee is to report and the committee named to handle the celebration.

The birth of a son to Princess Obolensky, formerly Miss Alice Muriel Astor, daughter of the late John Jacob Astor, son of the multimillionaire New York family, was announced in London.

at the Liberty theatre tonight, which marks the first showing here of "Crashin' Thru," which is hailed as the biggest and best picture of Carey's notable career. Bristling with hair-raising thrills, rattling action, rugged drama and that irresistible touch of whimsical Carey humor, "Crashin' Thru" is said to be an afternoon or evening's entertainment par excellence.

One of the most thrilling scenes ever filmed is contained in "Crashin' Thru." It is that in which hundreds of fear-maddened horses stampede directly toward the camera, with a roaring prairie fire licking at their heels and the unconscious form of a beautiful girl in their

path. Here Carey performs a remarkable feat of horsemanship when he reaches from his galloping horse and snatches the beautiful Viola Vale from almost certain death under scores of plunging hoofs. Other spectacular scenes are a terrific wind storm and a gigantic landslide caused by an earth-rocking explosion of dynamite.

But the spectacular is only part of the appeal of "Crashin' Thru." It is primarily drama staged in the heart of the glowing West, and tells a tale of romance and adventure.

EMILE MARTIN, DAWSON HOTEL MAN, DISAPPEARS

Emile Martin, one of the proprietors of the Westminster Hotel at Dawson, walked out of the hotel about 1:30 o'clock in the morning, May 25, telling a man in the cafe that he would be gone for about an hour, and he has not been seen since that time. The disappearance could not have been more complete if the earth had opened up and swallowed him.

Martin was well known and well liked in Dawson, was prosperous and a man of good habits and one not likely to get into trouble or do anything rash.

The whole town of Dawson and surrounding country are stirred up over the mystery. Martin's partner has offered \$500 reward to any one who finds him, dead or live.
